*Be prepared no matter where you go! Here are some useful tips for witnessing about Judgment Day:*

- Keep some tracts in the glove compartment of your car, to use with your WeCanKnow.com bumper sticker!
- Save the pre-paid return envelopes from your junk mail; stuff in a tract and send it back!
- Leave a tract in your shopping cart at the store for the next person who uses it.
- Get a group of friends together for Christmas caroling, and hand out tracts & business cards to passing listeners.
- Don't hang up on the telemarketers; have a few Bible verses by the phone and invite the telemarketer to visit WeCanKnow.com
- Always have your high-tech devices handy which can include downloads of the Bible, other literature etc. to aid you in discussions with friends and strangers alike.
- Keep some WeCanKnow.com business cards in your wallet or purse. *Request cards at [contact@wecanknow.com](mailto:contact@wecanknow.com)*
  - Hand a card to the cashiers when you pay for items at the store, or give one to a waiter/waitress with the tip.
  - Drop a card in the tip jar at the local café.
  - Place a couple cards on the waiting room tables in doctor's offices, hair salons, car dealerships, airport/train station lounges, etc.
  - Place a card on the condiment bars at self serve coffee shops, convenient stores, fast food restaurants, or delis.
  - Place a card inside your library books before you return them or inside the free Bible provided at hotels.
  - Leave a card on the running washing machines at your local Laundromat to be found when people return for their laundry.
  - Place a card in with your bills with your monthly payments.
